DIVISION 3.4 – FFA FLORAL DESIGN-JUDGING, –FFA Floral Design Theme –
Moon”

“Under the Harvest

The object of the contest is to produce a design on a flat 18" square board. The arrangement must be stable enough to withstand possible movement of the display boards.

Artificial flowers can be expensive; the cost has nothing to do with your ability to win. One can still collect their own natural material and keep the cost to an absolute minimum. How you use the material is the important factor.

1. Designs themes will be chosen by the NMF FFA Superintendent.
2. The arrangements may not be more than 24" tall and 18" wide. The arrangements will be visible from all sides.
3. The painted board color must not be altered. The board must not be damaged. Thumb tacks, pins, scotch tape, staples are permitted, but leave it clean when finished. You can make your own board.
4. The design must be in place by 8 p.m. Thursday, June 27 and remain on display until 9:00pm Wednesday, July 3. Please see Jessica to make arrangements for pick-up.
5. You may use any material, but it must be permanently dry, no green or decaying material, and no water.
6. An appropriate accessory, art figure, or object, to complement your arrangement, may be used if you wish, but it's the floral design that's important.
7. No auxiliary lighting or electrical connections will be allowed.
8. The contest judge may disqualify an entry if it does not meet the design requirements and they feel that the discrepancy provides an unfair advantage.
9. The FFA superintendent may disqualify designs of unworthy quality and not allow them to be exhibited.
10. Judging will take place on Friday, June 28. Arrangements not meeting all of the requirements will be disqualified and the remaining arrangements will be judged.
